Note: Parents are advised that their children play only against a standard of excellence in the Auditions and do not compete with each other. The Auditions afford an annual musical "check-up" under an outside adjudicator. Through national recognition and awards for student achievements, the Auditions acknowledge progress and encourage all pupils to continue the study of piano.

Van Cliburn, Cristina Ortiz, James Dick, Ralph Votapek, John Browning, Daniel Pollock, John Owings, Charles High, Monte Hill Davis, Philippa Schuyler and other concert artists were Guild Goal Winners.
